We will also be making our annual fund raising appeal to the families who participate in our Scouting program. The Northern Star Council estimates it costs \$159 per year to support a single Scout. The camping fees, annual dues, product sales like uniforms, grants from United Way, and income on investments covers only 65% of programming costs. The remainder is paid for through the *Friends of Scouting* (FOS) campaign. If we reach our pack's goal we receive free Pinewood Derby cars next year.

### CUBMASTER'S CORNER

**Hello,**

Even though the weather just finally started to resemble winter, the pack's winter activities are well under way. We had a good turn out for the swim party at Maplewood Community Center. Everyone seemed to have a great time.

Our participation at Polar Cubs Camp was outstanding! More than 50 campers attended. In addition, our campers filled every bed in the cabins at Gwen Center (32 total). The weather was great but we could have used a little snow. We owe Mr. Root and Ms. Kopelke a big thank you for all the work they did. I was proud of the behavior of our Scouts and cannot image the event going any better. Visit the website to see photos of the weekend.

Last weekend we had our first ever Construction City for the Webelos Scouts and 19 boys attended. The boys were required to buy land, obtain permits, draw plans and then build their house out of cardboard, all while being under the watchful eye of the Building Inspector. All of these boys earned their Webelos Engineer Activity Pin. If you would like to see the photos from Construction City and see the houses visit our website at [www.pack126.info](http://www.pack126.info).

Upcoming events include Pinewood Derby, tubing at Afton Alps and the Blue and Gold Banquet. These should keep all of our Scouts busy until spring.
